1.INTRODUCTION

ABOUT THE SCHOOL

- **S**ree Balaji School of Physiotherapy – started in the year 1999 – 2000, affiliated with the Tamil Nadu Dr.M.G.R Medical University till 2005 by Sree Lakshmi Narayana Educational Trust.
- 2006-2007 ambit of BIHER as a constituent college.
- 2024 – Silver Jubilee Year of our College

STATEMENT ON VISION

VISION:

- Service to mankind as major aim, physiotherapist qualifying from this school with global competency and quality.
- Uphold human values, respect socioeconomic and gender inequalities
- Identify, nourish talents and motivate to emulate as a professional and a human.
- Provide scientific teaching and learning with research ambience and an updated knowledge and skill.
- Promote cost effective physiotherapy, skill learning and motivate pupil physiotherapist to serve society.

Prepare vision plan for growth of the institute for next 3, 5 and 10 years with due human resources, Financial and infrastructural supports to emerge as an Institute of International eminence.

MISSION STATEMENT

- Objectives of our vision through framing of curriculum for UG and PG programme to meet demands of society using critical inputs from various stakeholders.
- Establish tie up and MOU with hospitals and institutes of specialized facilities for imparting hands-on skill training and knowledge with reasoning.
- Plan, execute academic, co-curricular, extracurricular, community health activities to develop human values, confidence and communication skills.
- Use of mentorship to guide, to Motivate and to mould students as an ethical human and a professional.
- Encourage more Research attitude by evidenced learning, publication and develop new products for human benefits.
- Identify ways to increase human resources, infrastructure and research trust areas by preparing road map for the next 3, 5, and 10 years.

2.TEACHING

AND

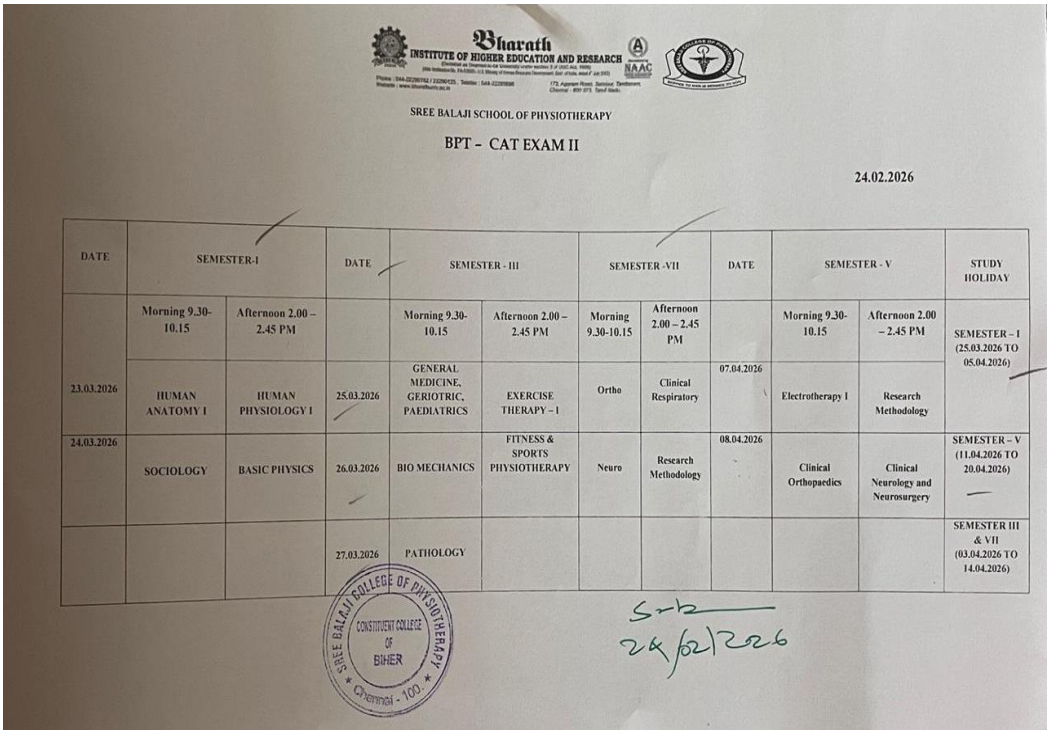

LEARNING EVALUATION

TEACHING AND LEARNING

1. Knowledge and skills were regularly evaluated using regular slip tests, Unit tests, CAT, University examination for theory and Hands on skills.
2. Academic calendar is prepared well in Advance and Adhered with.
3. Regular PTAs (Two times per semester) were conducted for greater feedback and interaction.
4. Teaching pedagogy including classroom lectures, power point, (Clinical reasoning on diagnosis, Treatment on patients, in case discussion) Research days, evidenced teaching, group discussion, Rural health camps, Faculty development programme, Mentorship based dissertation, Case scenarios.
5. Assignment, Records, Research Day topics were allotted at random but with one topic per student using Research evidence have to prepare and to be evaluated.
6. Hybrid mode of online and Classroom teaching needed, also with live learning on patient's models.
7. Facilities were made available for Research through MOU, streamlined with IEC.

EVALUATION

CAT - II was conducted for students from the first to seventh semesters. Subject-wise attendance percentages and internal assessment marks were compiled and processed in preparation for the April 2026 University Examinations.

VALUE ADDED COURSE

The Sree Balaji College of Physiotherapy recently introduced a specialized Value Added Course titled "Surface Anatomy and Its Relevance for Physiotherapy Practice." This 4 DAYS intensive program is designed to sharpen the clinical acumen of our students by focusing on the practical application of anatomical landmarks.

OBJECTIVES

- To become familiar with situation, Landmark of organs, Structures of human body.
- To develop clinical and surgical procedures of various Human organs in orientation to Physiotherapy.
- To acquire skill on palpation and clinical relevance of 35 Hours Surface Anatomy.
- To learn on the course evaluation relevant to Neuro vascular and Musculo skeletal structures relevant to physiotherapy practice

TNPESU ON 24.02.2026

One Day workshop with faculty 75 UG and PG students from 9 AM to 4 PM at Tamil Nadu sports University on sports, evaluation, Treatment with Advanced technology.

One Day workshop at Sports University

LECTURES AND CLINICAL TRAINING

B.P.T and M.P.T year posted for Lectures and Clinical Training in various institution,

YEAR	INSTITUTION	DATE OF POSTING
Internship	Skatters , physiocare,Nepmd , physkraft , synergy, pain and stroke rehabiliatio centre , Indian redcross society	06.02.2026 to 20.05.2026
M.P.T IIYear	Isabel Hospital	02.03.2026 to 31.03.2026
M.P.T II Year	Hamsa rehabilitation centre	17.03.2026 to 31.03.2026
M.P.T II Year	Hamsa rehabilitation centre	17.03.2026 to 31.03.2026
M.P.T II Year	JOGO , thiruvanmyur	25.03.2026 to 01.04.2026
MPT I Year	Cancer institute	16.03.2026 to 30.03.2026
M.P.T I Year	Equitas batch I and Batch II	23.03.2026 to 28.03.2026, 30.03.2026 to 04.04.2026
B.P.T II Year	Sree Balaji Medical college and Hospital (Department of PMR)	22.06.2026 to 30.06.2026
B.P.T IV year	Sree Balaji Medical college and Hospital (DEPARTMENT OF PMR)	17.08.2026 TO 31.08.2026

Field Visits & Special Programs

HEALTH DAY

Sree Balaji College of Physiotherapy successfully organized The International Health Day Expo-2026.

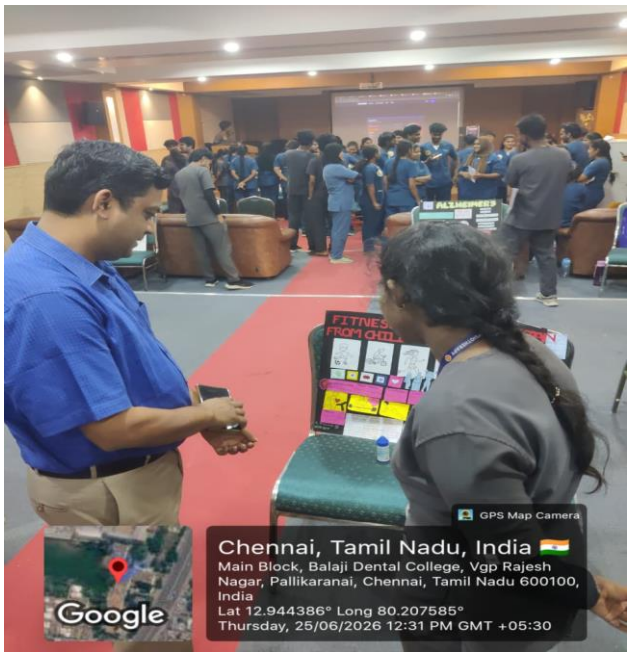

Event Details:

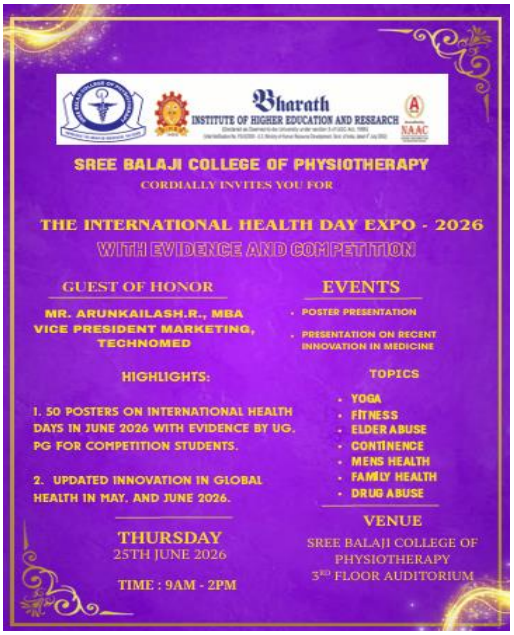

Date: Thursday, 25th June 2026

Time : 9.00 AM – 2.00 PM

Venue : 3rd floor Auditorium,

Sree Balaji College of Physiotherapy, Pallikarnai, Chennai.

CASE DISCUSSION

Case Discussion with evidence were conducted on 22.01.2026

Monthly Case discussions bridge the gap between textbook theory and clinical reality, allowing students to witness the complex decision-making required for diverse patient populations.

Case Scenario was conducted on LBA by MPT II year on 31.01.2026

MENTORSHIP BASED GROUP DISCUSSION WITH EVIDENCE - 11/12/2025

RESEARCH ENGAGEMENTS

VIT (05.08.2026)

MOCAP based evaluation for gait analysis with patients in VIT, HUMA was carried out on 05.08.2026, 12.08.2026,26.08.2026 by Dr.S.S.Subramanian.

The purpose of this Research visits was to enrich evaluation and benefit of patients with international standard. Also, through MOU with VIT, we are aiming at Research collaborations.

VIT (05.08.2026)

MOCAP based evaluation for gait analysis with patients in VIT, HUMA was carried out on 05.08.2026, 12.08.2026,26.08.2026 by Dr.S.S.Subramanian.

Research Collaboration in VIT

The purpose of this Research visits was to enrich evaluation and benefit of patients with international standard. Also, through MOU with VIT, we are aiming at Research collaborations.

1. Faculty have visited VIT for Research collaborations on 18.02.2026 & 25.02.2026

26.09.2025	Drug abuse awareness marathon	TN development corporation	faculty and student participation	awareness program

EYE SCREENING CAMP

An Eye Screening Camp was successfully organized in collaboration with **Sankara Nethralaya** with the objective of promoting awareness about eye health and facilitating the early identification of common visual and ocular problems among the college and residential community.

The camp witnessed active participation from approximately **300 beneficiaries**, including students, teaching faculty, non-teaching faculty, staff members, and residents. The initiative provided an accessible platform for participants to undergo preliminary eye health assessment and receive professional guidance regarding the importance of regular eye examinations.

The screening programme included **comprehensive eye examinations** aimed at identifying visual abnormalities and other common eye-related concerns. **Participants were assessed by the visiting eye-care professionals**, and those requiring further evaluation or management could be appropriately guided for continued ophthalmic care.

The enthusiastic participation of nearly 300 individuals demonstrated the positive response to the programme. **By combining eye screening, professional guidance, health education, and free provision of spectacles**, the camp made a meaningful contribution towards improving visual health and promoting early intervention.

EYE SCREENING CAMP WAS SUCCESSFULLY ORGANIZED IN COLLABORATION WITH SANKARA NETHRALAYA

EYE SCREENING

BLOOD DONATION CAMP

A Voluntary Blood Donation Camp was successfully organized on **24 July 2026 (Friday) from 9:30 AM to 2:00 PM** at Sree Balaji College of Physiotherapy & Rehabilitation Centre, Velachery Main Road, Narayanapuram, Pallikaranai, Chennai – 600100, in association with Rela Hospital.

The programme received an overwhelming response from students, faculty members, staff, and members of the public, who came forward voluntarily to participate in the blood donation drive. **Approximately 50 units of blood were collected during the camp, making a significant contribution towards meeting the healthcare needs of patients requiring blood and blood components**.

A total of **123 participation of students and staff** provided an opportunity to promote a culture of voluntary service, social responsibility, and community engagement within the institution. The involvement of healthcare professionals and the collaborating hospital contributed to the organized and effective conduct of the donation process.

BLOOD DONATION CAMP-SREE BALAJI COLLEGE OF PHYSIOTHERAPY

ORGANIZED IN COLLABORATION WITH RELA HOSPITAL

Disability Expo 2026:

The VARA Assessment and Measurement Camp for Mobility Aids and Appliances in Chennai was scheduled on 22nd and 23rd August 2026, from 9:00 AM to 2:00 PM, at C.S.I. Higher Secondary School for the Deaf, Mylapore, Chennai. The camp was conducted under the Gram Vikalang Punarjanmam Project, with Freedom Trust as the project organization and the District Differently Abled Welfare Office, South Chennai as the local partner. The programme aimed to assess, support, and empower children and adults with disabilities due to conditions such as cerebral palsy, stroke, polio, amputation, and other locomotor disabilities.

AND

CAREER GUIDANCE

CAREER GUIDANCE ON HIGHER EDUCATION

On **February 6, 2026, the Placement Cell** at Sree Balaji College of Physiotherapy (SBCP) organized an impactful seminar titled "Career Guidance on Higher Education and Job Opportunities Overseas for Physiotherapists". The event took place at the SBCP Auditorium in Pallikaranai and was attended by MPT II-Year students, BPT IV-Year students, and Interns.

The session featured Mr. Srinivas Venkateswaran, Regional Manager and Lead Consultant at Global Degrees, Chennai, as the keynote speaker. With his extensive expertise, Mr. Venkateswaran provided a comprehensive roadmap for students looking to take their professional practice to international shores.

RESEARCH ACHIEVEMENT – BEST PRESENTATION AWARD

STAFF	ACHIEVEMENT	TOPIC
Ms. Priya R.	Best Oral/Poster Presentation 27.03.2029	International Conference on Artificial Intelligence in Cell Culture Optimization and Genomic Analysis (AICCG–2026),
Dr. S.S. Subramanian	speaker 09.05.2026	Conference -CHETCON Chettinad college of Physiotherapy

RESEARCH ACHIEVEMENT – BEST PRESENTATION AWARD

Ms. Priya R. was awarded the Best Oral/Poster Presentation at the International Conference on Artificial Intelligence in Cell Culture Optimization and Genomic Analysis (AICCG–2026), organized by the Department of Physiology, Saveetha Dental College and Hospitals, in association with the Association of Physiologists of Tamil Nadu.

The conference was held on 27 March 2026 at Saveetha Dental College and Hospitals, Chennai. The conference provided a platform for researchers, academicians, and students to present their scientific work and exchange knowledge on emerging applications of Artificial Intelligence in biomedical research, particularly in areas related to cell culture optimization and genomic analysis.

The recognition received by Ms. Priya R. for securing the Best Oral/Poster Presentation reflects the quality of her research work, scientific presentation, and contribution to the academic and research community. The achievement also highlights the institution's encouragement of faculty and student participation in scientific conferences and research dissemination.

International Physiology Conference organized by SIMATS on 27-03-2026. R. Priya, MPT (Neuro), Assistant Professor, received the Best Paper Award in the faculty category

CHETCON: —

Dr. S.S. Subramanian from Sree Balaji College of Physiotherapy was invited to serve as a speaker at CHETCON, contributing to the scientific programme through an expert session in the field of physiotherapy. The session provided an opportunity to share professional knowledge, clinical experience, and contemporary evidence with physiotherapy students, faculty members, clinicians, and other delegates.

The presentation focused on the importance of evidence-based and contemporary physiotherapy practice, highlighting the integration of current research evidence with clinical decision-making and patient-centred care. The speaker also discussed the evolving role of physiotherapists in improving functional outcomes and quality of life through appropriate assessment, individualized intervention, and interdisciplinary collaboration.

Participation as an invited speaker at CHETCON provided valuable academic exposure and served as a platform for professional knowledge exchange, networking, and dissemination of clinical and research perspectives. It also reflected the faculty member's contribution to continuing professional education and the institution's active involvement in academic and professional forums.

Speaker: Dr. S.S. Subramanian

Venue: Chettinad college of Physiotherapy

Dr. S.S. Subramanian from Sree Balaji College of Physiotherapy was invited to serve as a speaker at CHETCON, contributing to the scientific programme through an expert session in the field of physiotherapy

ACHIEVEMENTS BY STUDENTS

STUDENTS	ACHIEVEMENT	TOPIC
Dr. Manjula, MPT (2nd year)	Oral/Poster Presentation 27.03.2029	International Conference on Artificial Intelligence in Cell Culture Optimization and Genomic Analysis (AICCG–2026),
MS. Diana (BPT 4th YEAR)		Youth Mela

SPORTS ACHIEVEMENT-PRIZES WON BY STUDENTS

STUDENTS	SPORTS	ACHIEVEMENT
Ms. Raja	Silambam	STATE LEAVEL
Mr. Aron	Tennis	NATIONAL LEAVEL

Students participated in the International Physiology Conference organized by SIMATS on 27-03-2026 received Dr. Manjula, MPT (2nd year), secured the Best Paper Award in the student category

Youth Health Mela:

Faculty and students from your institution actively engaged in both the Youth Health Mela and the academic conference organized Cancer, Institute WIA, Adyar Chennai.

FAREWELL PG (30.07.2026) & UG (14.08.2026)

A Farewell Programme was organized by Postgraduate (PG) Physiotherapy students as part of the student activities of the department. The programme was organized to bid a warm and memorable farewell to the outgoing students on **30/07/2026** and to celebrate the academic journey, achievements, and memorable experiences shared during their time in the institution.

Coupled with cultural activities 2023 to 2022 batch students for a brighter future on 14.08.2026 from 9.00 Am to 3.00 Pm. These activities were aimed to promote a professional bonding among budding Physiotherapist.

Communal harmony was celebrated with faculty and students on Pongal, Christmas and Ramadan.

ONAM CELEBRATION (27.08.2026)

Promoting communal harmony onam was celebrated on 27.08.2026 from 11.00Am to 2.00Pm with greater enthusiasm understanding other cultural, regional faith and festival.

IN-DOOR SPORTS ACTIVITY

9.THE INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of Sree Balaji College of Physiotherapy held a pivotal consultative meeting on 07.02.2026 & 28.02.2026. 2026, bringing together faculty members and student representatives. The session served as an open forum to discuss academic quality, campus facilities, and the overall student experience.

The meeting focused on the collective goal of maintaining the highest standards of education and clinical training within the institution.

The IQAC meeting was conducted on 30-03-2026 to review academic activities and ensure quality enhancement measures within the institution.

10.ROAD MAP

9.ROAD MAP

Road Map for Three Years

- Establish Research Centre with external funding
- Prepare research projects with external funding and Tie ups
- Identify and accelerate on publishing research articles and books with good quality
- Develop patents and enable Healthcare Services from this Institute Flourish.

Road Maps for Next Five Years

- To generate more revenue for R&D
- Get a status of Research Institute with focus on geriatrics, obesity, regenerative medicine, diabetes and MSD

ROAD MAP FOR 10 YEARS

- To have each faculty with Ph. D
- To offer dual degree in collaboration with foreign universities
- Enable to do internship in universities of excellence abroad
